The Provincial Environment and Natural Resources Office (PENRO) Sultan Kudarat (SK) has distributed Immune Pro Multivitamins and Fern-D vitamins to the office's personnel including CENRO Tacurong representatives today, December 06, 2021 at PENRO Isulan Sultan Kudarat Office Clinic.

A total of 280 boxes of multivitamins containing 100 tablets per box and 280 bottles of vitamins D with 120 gels were purchased. Some of the vitamins were distributed to PENRO SK Isulan employees and CENRO Tacurong and the rest will be given to CENRO Kalamansig. These vitamins are initially intended for five (5) months supplies for the employees.

In addition, 150 Covid-19 Rapid Saliva test kit, 300 tablets of Tylenol Paracetamol, 300 tabs of Cetirizine, 200pcs of Imodium, one (1) piece of electric breast pump with two (2) feeding bottles, 150 shots of Lifetime-Pneumonia vaccines were purchased.

The office initiative aims to boost the health immunity of the employees to combat illnesses especially amid pandemic to efficiently serve the public. Moreover, this complies to the office target in Health and Wellness under Gender and Development (GAD) Calendar Year 2021.
